Dear Sir:

REQUEST UNDER 37 C.F.R. 1.821(e)

Pursuant to 37 C.F.R. § 1.821(e), applicants hereby request that the computer readable form of the Sequence Listing from United States application No. 08/260,675 be used in the above-identified United States application.

A paper copy of the Sequence Listing as filed in the instant application, Serial No. 08/937,756, is identical to the computer readable copy of the Sequence Listing filed in application

Application No. 08/937,756

Docket No.: STK-P06-504

Serial No. 08/260,675, filed June 16, 1994.¹ In accordance with 37 C.F.R. § 1.821(e), please use the last computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the sequence listing was included in the originally-filed specification of the instant application.

Respectfully submitted,

Dated: March 27, 2009
